“Keeping a tender heart toward those in need”

House Rules

There are times when running a ministry can simply be overwhelming! While I have some of the best employees and volunteers in the world, the sheer amount of work is unbelievable - and we are all struggling to keep up with the load. However, God never gives us more than we can handle in His strength. My failure comes when I try to do it all in my own strength. Jesus says in Matthew 11:28, "Come unto me, all that labour and are heavy laden, and I will give you rest." Daily I must remind myself that God is in control of EVERYTHING - and there is rest in knowing HIM.♥
Praise God for his loving kindness!

~ Ainslee

Ministry Highlights

Our Capital Campaign has come to a close. Thank you so much to all who donated so generously. You are a blessing! We raised almost \$39,000.00 toward the purchase of the Tender Hearts House of Hope, our shelter for homeless women and their children. We are pursuing a mortgage for the remaining balance owed and hope to have all the paperwork finalized soon. Please pray for the financing and a smooth and rapid closing. How exciting! Thanks to you, our shelter clients will be secure in knowing that this building soon will be a permanent part of Tender Hearts.

Volunteer of the Month

This month Tender Hearts would like to salute our shelter clients. While their volunteer hours are mandatory, they work so very hard and diligently so that the thrift store runs efficiently. Many days they are here early and stay late, working in all kinds of temperature and weather. We appreciate their loyalty and willingness to partner with us in helping others. Ladies, you are awesome!

Thrifty Times

Tender Hearts Thrift Store is offering some specials this month. All medical walkers and medical toilets are \$2.00 each this month only. All the medical equipment sold at Tender Hearts is clean and in excellent condition.

Wish List

Our clients at Tender Hearts House of Hope are in need of transportation to and from work and daycare, as well as outings to the grocery store and medical appointments as they prepare to live on their own. If you or someone you know has a vehicle in good running condition, please consider donating it to our ladies! Without transportation, it is very hard for them to live independently ... please give as the Lord leads.
