“Keeping a tender heart toward those in need”

House Rules

Tender Hearts House of Hope continues to see lives changed daily. This past month, one of our residents completed our 90-day program, finished her GED, landed a job, and moved into her own home. Another resident is preparing to do the very same thing this month. This is success in which we can ALL rejoice! Along with the success stories, there are those who have chosen the wrong path...not truly seeking God's Will...but their own pleasures. It is so good to know that we at least planted a few seeds in their lives, and I pray that one day they will recall what they have learned and start making the right choices for their own lives as well as the lives of their children. Please continue to pray for our counselors, staff and volunteers as they strive to help those in need! Psalm 34:1 says, "I will bless the Lord at ALL times: HIS praise shall continually be in my mouth."

~ Ainslee

Ministry Highlights

As the ministry grows, it's so encouraging to see other groups, businesses, and churches take on a burden to assist Tender Hearts Ministries in various ways. This month alone, we have welcomed several newcomers which have held clothing and food drives as well as supported the Capital Campaign to purchase the women and children's facility by July 15. A special thank you for all of you who give so willingly to keep this ministry thriving!

Volunteer of the Month

This month Tender Hearts would like to salute Sandy Bauwin for her outstanding contributions volunteering as a cashier at the thrift store. Sandy currently lives in Rock Hill and volunteers along with her son Jim. She has a very compassionate spirit towards helping others. Sandy, thank you for your faithfulness to this ministry!!!

Thrifty Times

Tender Hearts Thrift Store is offering some specials this month. Both Flip-Flops and Handbags are "Buy One, Get One Free" all month long (excluding designer bags and brand-name flip-flops).

Wish List

Back-to-School Time is coming up fast. We are collecting school supplies for any children in our homeless shelter. Extra supplies collected will be given to needy families in the community through our Community Outreach program. If you can donate new pencils, erasers, notebook paper, and other school items, it would be such a blessing to those who are in need.
