“Keeping a tender heart toward those in need”

House Rules

As a mother of two teenagers, I constantly find myself running around like a taxi driver, dropping off and picking up from activities of school, sports, and church. It seems that many others are living in this fast paced society and hardly taking the time to appreciate the life we have and the blessings that God has given to us...our families, friends, and the beauty of God's creation. On a daily basis, I listen to so many stories of people that are truly in need of the basics of life...food, clothing, and shelter; it does make me stop and "count my blessings" and then press on toward reaching these individuals and trying to give them HOPE for a brighter future. Jer.29:11 - "For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope." Please

continue to pray for us as we assist many in need and ... don't forget to count your blessings!

~ Ainslee

Ministry Highlights

Our capital campaign is off to a great start - thank you to ALL the individuals, churches, and businesses who are helping us reach our goal of \$136,000 to purchase the land and building housing our shelter for homeless women and their children. As of May 23rd, we had reached \$23,158. Please pray that God would give the increase of the necessary funding so that we may continue helping those in need. To donate online, please go to www.tenderheartsinyork.org or mail to PO Box 634, York, SC 29745.

Volunteer of the Month

This month Tender Hearts would like to shine the spotlight on Mr. Richard Ellison for his dedication to serving as "Tender Hearts Handyman"! Richard does just about everything from plunging toilets to building cabinets. He currently lives in York with his wife and son. He is bi-lingual and is always teaching us new Spanish words! Thank you, Richard!

Thrifty Times

Tender Hearts Thrift Store is offering some specials this month. Blue jeans are "Buy One, Get One Free" all month long. Another store special this month only: buy 3 pairs of shoes and get 1 handbag free (excluding designer bags).

Wish List

One of our greatest needs right now is diapers. Often times when ladies come into the shelter, they are using WIC which provides the babies with formula, cereal, milk, and juice...however, if they have no income...then they cannot afford diapers. Diapers are a necessity and we are in constant need for sizes 4-6. Thank you for your continued community support!
