“Keeping a tender heart toward those in need”

House Rules

Lately I've been giving updates on our House of Hope "graduates". This month I'd like to tell you about Carol – a soccer mom who had it all, but found herself homeless because of divorce and poor financial choices. Carol worked the program with gritty determination, found a job, saved her money, and eventually moved out on her own, rooming with another graduate of our program. Since then, Carol has returned to us as an employee managing our shelter facility. As a successful graduate of the House of Hope, Carol is uniquely qualified to assist our shelter clients with their problems and needs, while encouraging them to make lasting changes in their lives and those of their children through the opportunity God has provided at Tender Hearts. 1 Thessalonians 5:14 says, "Now we exhort you, brethren, warn them that are unruly, encourage the fainthearted, support the weak, be patient toward all men." Thank you, Carol, for setting a godly example!

Ministry Highlights

April showers bring May flowers – and also an opportunity to sponsor a "Spring Fling" box for Tender Hearts. Our project for May is to deliver decorated boxes to area businesses and churches at the beginning of the month of May so those wanting to donate may "Spring Fling It In The Box For Tender Hearts". We will pick up the boxes at the end of May or the church or business sponsoring the box may bring it to Tender Hearts when full. Please let us know by April 24th if you will sponsor a box so we can prepare a nicely decorated box for your use. You may fling in clothes, toys, household goods, canned food, diapers, toilet paper, paper towels – we can use just about anything! Please contact Sue at 684-3132 or sue@tenderheartsinyork.org if you wish to participate.
