**“Keeping a tender heart toward those in need”**

## House Rules

Proverbs 16:24 "Pleasant words are as a honeycomb, sweet to the soul, and health to the bones." February is known as the month of love in which we celebrate "Valentines Day". I find it very humorous how some people use that particular day to show acts of kindness. When I look into the Bible, I find that Jesus didn't need any reason to show random acts of kindness - HE just showed compassion everywhere he went...and we should follow in HIS footsteps!! All of you who donate and volunteer at Tender Hearts and elsewhere are a blessing to so many as you live out the compassion of Christ in our community. Thank you!

~ Ainslee

## Ministry Highlights

It's so hard to believe that Tender Hearts House of Hope has been in operation for 17 months! I would like to update everyone on one of our former residents. Angela, mother of 5, received her GED last April while staying at our shelter. She was able to secure a job, move into an apartment, and is currently studying criminal law at York Technical College. Go Angela, we are so proud of you!

## Volunteer Notes

We appreciate all of the hard work that our volunteers put into keeping Tender Hearts Ministries going and growing. This month, we would like to shine a spotlight on our Rock Hill location and the wonderful volunteers who have helped that location to blossom. The new volunteer media manager for the Rock Hill Store is Renee Cauthen - thank you for ALL the extra hours toward organizing!

## Thrifty Times

ALL TOYS are BOGO (buy one, get one free – same price or less).

## Wish List

Have an extra car sitting in your driveway???

The ladies at Tender Hearts House of Hope are in need of vehicles in order to live an independent lifestyle. While at the shelter, we assist with transportation to daycare, work, doctor's appointments, and church; however, once the ladies finish our program...a car is a NEED for them. Please consider donating - and remember...it's a tax deduction!!!
